SARA

Sara is a secretary during the day. She's played as above in a total power female for others. By night, she turns into a fierce dominatrix and calls her victims, tells them to come over to the car about three and even takes them over the car ramp.

kann, und wenn sie genug hat,
schickt sie sie wieder
nach Hause.

På natten försöker hon få en vild

kan släppa dem och sedan skaka
dem för när hon har fullt lugn.

THIS IS TREVOR WATSON!

Trevor Watson is the man whose Fetish photos have been delighting Pirate readers since issue 47.

We thought it was about time to find out a little more about this character. Here you are.

Age and place of birth.
47 years - born Cambridge, England.

When and how did you start working as a photographer? Where did you study?
Started at the age of 32 - never studied - learnt from books and taking pictures and asking people.

What where you doing before?
Before photography I worked in a shelter for homeless kids and before that in a psychiatric hospital. Previous to that I've been a builder, market trader, leather worker, waiter, junkie, clerk in that order!

Which are your major influences (art, movies, etc)?
Major influences are in film: Fritz Lang, Orson Welles, Fellini, in art: Beardsley, Goya, Eric Stanton, John Willie, Tom of Finland.

Which photographer has influenced you the most?
Brassaï, Bill Brandt, Don McCullin, David Bailey, Irving Penn, Joel-Peter Witkin. My favourite fetish/erotic photographer is Gillo Bourgois.

What came first, Photography or Fetish?
Photography came first, initially I wished to be a photojournalist but gradually began earning a living from erotica. I was always as interested in the outfits/atmosphere/sets in erotic photos as in the sex and therefore fetish is a natural home. I prefer the idea of dressing for sex rather than undressing.

You seem to have specialized in Fetish themes, do you shoot any other subjects?
I do shoot other than erotica but nearly always involving people still.

Are your photosets for Pirate magazine the first hardcore job you've ever done?
Yes the photosets for Pirate are pretty much my first real hardcore.

EXCLUSIVE INTERVIEW

We are aware of the difficulty that hardcore pornography goes through in the UK, how does that affect your work?
British censorship doesn't affect me directly it just means that most of my pictures are published abroad rather than in England. Not that most of my pictures fall foul of UK law but that most outlets for erotic pictures in the UK are soft-core girls mags to whom my pictures don't appeal in general. Many European countries have a wider view of 'Erotic' than English publishers.

Do you think there will ever be a liberalization of pornography in the UK?
I think that because of the European Union and the Internet things will eventually change, in fact they already have, but it will be a piecemeal approach involving not enforcing the law rather than changing it.

Have you ever had any problems due to your job?
My only problems are they I often have foreign publications seized by UK Customs which contain my pictures.

Where do you publish your work?
I publish pictures all over Europe, Scandinavia and USA.

Have you done any exhibitions?
I have had exhibitions in the past but now I tend to be a 'published' type photographer as I have printing.

Do you have any "solo" books?
I have one "solo" book entitled 'Girls Behaving Badly'

Tell us about the London Fetish scene, you must be very involved with it...
I've been involved in the London Fetish Scene for 15 years I guess and still go to many of the clubs. Over the years I've photographed many clubs, many people in the scene and much of the clothing produced by London designers. I also used to DJ at several fetish clubs.

Where do you buy Fetish gear?
Do you have a favourite store?

To be honest both Debbie (my wife) and I (especially Debbie) get a lot of clothes given to us or supplied cheaply in return for photos or publicity arising from use of clothes in photo-shoots. Because I know all the designers well it is best I don't mention a favourite label or store.

Have you noticed an increase of Fetish imagery in pop culture? Why do you think that is?
Much fetish imagery went overground in the last few years as it was always bound to and has greatly influenced mainstream fashion and advertising.

Also the vision of 1950's type fetish has been transformed into the world of all-night fetish clubs, Ecstasy culture, Tribalism, piercing, tattooing, Transvestism,

House & Techno, it's gone a long way from six-inch heels and pencil skirts!

Are you acquainted with Tanya Hyde, who directed Xtreme Desires?
Have you seen her movie?
Tanya Hyde is my favourite director of the moment, she has brought a refreshingly new approach to Adult Video! I've seen the film several times.

Have you directed any movies yourself, will you ever?
I have actually but in London it pays to be discreet about such things therefore I use a 'Nomme de Plume'.

Do you have a website?
My website is <http://www.twphoto.u-net.com> and my e-mail is TW_PHOTO@netmail.com
